## STATISTICS ON CLUB PAGES

The statistics on the club pages in this album fall into two main categories. For each player, there is a career list of all his League appearances and League goals up to the end of the 1994/95 season, showing in order the season, club, division, appearances (including as a substitute) and goals. (L) denotes on loan. Then we get onto the really interesting stuff! Last season's Performance statistics are shown in a detail only found in Merlin football sticker collections. For each player we show the number of starts he made in League games in 1994/95, followed by the number of appearances as a substitute and the total number of League goals scored. Then the goals are broken down as follows (the words in brackets correspond to the column headings): goals scored from inside the penalty area (Area), from outside the penalty area (Out), with the left foot (L.Foot), with the right foot (R.Foot), by header (Head), from a penalty (Pen), those scored from a dead ball (Dball) or from open play (Open). Then we list the number of goal assists credited to each player from dead balls (Dball) and open play (Open). Please note that in some cases, especially where a player was not in a Premier League club during 1994/95, these details were not available. 1995/96 fixture lists are © 1995 F.A. Premier League Ltd. and were correct at the time of going to press. These statistics are copyright © 1995 Andrew Clark/SportStats and may not be reproduced in whole or in part without written permission. All Rights Reserved.

Overseas players' countries of origin are denoted by the following abbreviations: ARG - Argentina; AUS - Australia; B - Belgium; BOS - Bosnia; BR - Brazil; C.I. - Channel Islands; CAN - Canada; CH - Switzerland; CZ - Czech Republic; D - Germany; DK - Denmark; E - Spain; F - France; FIN - Finland; GHA - Ghana; GR - Greece; HK - Hong Kong; HUN - Hungary; I - Italy; IL - Israel; IRL - Eire; MC - Monaco; N - Norway; NIG - Nigeria; NL - Holland; P - Portugal; R - Romania; RU - Russia; S - Sweden; S.A. - South Africa; SL - Sierra Leone; SU - Soviet Union; SUR - Surinam; TR - Turkey; UKR - Ukraine; URU - Uruguay; W.I. - West Indies; ZW - Zimbabwe.

EDITOR'S NOTE. The final date for compiling this album was November 1st 1995. All reasonable efforts were made to ensure that the data was accurate at that time. Player transfers and/or managerial changes in FA Premier League clubs after that date were, of course, beyond our control.

**S**ince it began in 1992, the F.A. Premier League has delivered the most exciting football in the world and last season's fight to the finish was the most spectacular yet. Blackburn Rovers and Manchester United were neck and neck all season and they took the battle for the championship right to the final whistle. The drama was spellbinding as Blackburn just edged in front at the death. On a sunny spring day they went down 2-1 at Liverpool but, despite a blood and thunder assault, United could only manage a 1-1 draw at West Ham, missing a unique championship hat-trick by a whisker.

Of course, the new season is already well underway, exactly the right time to introduce the third edition of Merlin's F.A. Premier League Sticker Album. It's the biggest and best yet and is jam-packed with everything you could ever want to know about the best football league in the world. The 128 pages contain more facts and figures about the Premiership clubs and players than ever before and, for the first time, you will find the clubs in the order they finished last season. Look out for brand new statistics on Leading Players, Game Margins and Premier League Results. Plus, fill in all the results in each club's own 1995/96 fixture list!

Club programme, manager and key player foil stickers are just the start. Superb prismatic foil highlights the club badges and 1995/96 team strips, which include goalkeepers for the first time. Mega 3D stickers bring the action of the Premiership to life when viewed through special Merlin 3D glasses – see the leaflet inside this album to see how you can get yours!

Plus! Don't throw away your sticker backs! Merlin have teamed up with McDonald's Restaurants to give you the chance to win free regular fries or free regular Coca-Cola all year long. Check out your sticker backs to see if you have won a voucher for free regular fries or free regular Coca-Cola redeemable at participating McDonald's restaurants in the United Kingdom, or test your soccer knowledge in the special Trivia Quiz and Did You Know? teasers on the backs of many of the stickers.

There's also our fabulous Go for Goals competition! Save your sticker-backs from top goal-scoring players, send them to us together with the same player's card from our Ultimate card collection, and you could win one of more than 200 fabulous prizes, including £1,000 worth of sports equipment, at JJB Sports or Olympus! You'll find full details of the competition on the special leaflet inside your album.

Merlin's Swap Shop Tour was one of the highlights of last year and we were thrilled to meet many thousands of Premier League collectors. Check out our 1996 Swap Shop Tour to find out the location of your nearest venue (page 128).

The F.A. Carling Premiership is the ultimate footballing challenge. As you build your 1996 collection you will join in all the drama and thrills as the race for the title reaches its climax. Enjoy with us the greatest footballing spectacle in the world – the F.A. Premier League.

Figure 1 shows a 2D hexagonal lattice of atoms. A central atom is labeled 'A'. To its right is an atom labeled 'B'. Above 'A' is an atom labeled 'C'. Below 'A' is an atom labeled 'D'. To the left of 'A' is an atom labeled 'E'. To the right of 'B' is an atom labeled 'F'. The lattice is bounded by a dashed line. The top boundary is labeled 'y=0'. The bottom boundary is labeled 'y=L'. The left boundary is labeled 'x=0'. The right boundary is labeled 'x=L'. The lattice is divided into two regions by a vertical dashed line at  $x=L/2$ . The left region is labeled ' $x < L/2$ ' and the right region is labeled ' $x > L/2$ '. The lattice is also divided into two regions by a horizontal dashed line at  $y=L/2$ . The top region is labeled ' $y < L/2$ ' and the bottom region is labeled ' $y > L/2$ '.

# 1994/95

# SEASON

**W**hen the third Premiership season kicked off in 1994, Manchester United were going for a unique hat-trick of Premier League championships – but in the toughest league in the world the competition was to prove stronger than ever.

United had a strong start to the season and looked clear favourites for the title. In October they hammered Blackburn Rovers 4-2 at Ewood Park with a penalty from Eric Cantona, two goals from Andrei Kanchelskis and one from Mark Hughes, but this reverse served only to inspire Jack Walker's team. Rovers climbed up to the top spot with an unbeaten run of 12 games which was ended only by a 1-0 defeat at Old Trafford. The rest of the season saw United and Rovers fighting it out at the top and when Blackburn lost 3-2 at home to Manchester City in April, it looked as if United might clinch the title after all. In the end though, it went right down to the wire. The Premier League witnessed the most dramatic finish for years as Blackburn lost at Liverpool, but still won their first title in 81 years when United only drew 1-1 at West Ham.

Nottingham Forest had a great season – never dropping below fifth place. 22 strikes from goal ace Stan Collymore helped them finish the season with a 13 match unbeaten run which took them to third place just ahead of a resurgent Liverpool, who later took Stan the Man to Anfield for a record fee of £8.5 million.

Hotshot Alan Shearer's 34 goals helped Blackburn achieve the highest goal scoring average in the Premiership with 1.9 goals per game, but United conceded the fewest goals with a miserly 28, only 4 of which were at home! The season was illuminated by some great goalscorers – Robbie Fowler netted 25 for Liverpool, Les Ferdinand 24 for QPR and Andy Cole struck 9 for Newcastle and 12 for United. Overseas strikers also made a big impact in the Premiership. Jürgen Klinsmann hit 20 in 41 at Spurs while Tony Yeboah scored a sensational 12 goals in just 18 outings for Leeds helping them finish a creditable fifth.

A great season finished with new champions, increased attendances and some of the most entertaining football in the world. Who knows who will be top of the league as you fill in Merlin's Premier League 96 album? It's a sure thing though that whoever it is, your album will help you enjoy all the action to the full.

# WINNERS

**D**id you know that Bolton Wanderers last won the FA Cup in 1958, or that Nottingham Forest and Aston Villa have each won the League Cup four times? Check out the stats on this page and be your own football historian!

The English game is the most exciting in the world and the history of the domestic competitions is full of tradition and classic matches. On these pages we give you a unique overview of the all-time Championship, FA Cup, League Cup and Charity Shield winners.

The Championship is the biggest prize in the game and the League Championship Winners table shows you how many times the trophy has been lifted by the 23 clubs that have won it since 1888. You can also see the highest number of goals scored and fewest number of goals conceded in each club's Championship campaigns.

For the FA Cup, League Cup and Charity Shield we list how many times the trophy has been won by each team, the last occasion that they won (or shared) it and also their highest score. Did you know that Blackburn Rovers have scored six goals in an FA Cup Final – in 1891?

The Premiership and cup competitions are really hotting up now, as the season nears its climax when all the prizes are won – and lost. Who knows which teams will be lifting trophies by the end of the season and adding their names to these honours lists? Only time will tell.

# MERLIN

# SWOP SHOP TOUR 96

**LAST YEAR MERLIN HELD THE FIRST SWOP SHOP TOUR.  
THIS YEAR IT'S BACK, BIGGER & BETTER!!**

THE BEST WAY OF COMPLETING A MERLIN COLLECTION IS BY SWOPPING YOUR STICKERS AND CARDS AMONGST YOUR FRIENDS. THIS CAN BE A LOT OF FUN, AND YOU WILL COMPLETE YOUR COLLECTION MORE QUICKLY. HOWEVER, IF A STICKER IS VERY POPULAR, SOMETIMES IT'S DIFFICULT TO FIND A FRIEND WHO WILL SWOP IT WITH YOU - LAST YEAR'S SWOP SHOP PROVED THAT THE SHINY STICKERS ARE VERY VALUABLE. AS A RESULT MERLIN HAS A SERVICE WHERE YOU CAN BUY THE INDIVIDUAL STICKERS THAT YOU NEED TO COMPLETE YOUR COLLECTION - SEE THE SPECIAL LEAFLET IN THIS ALBUM. BUT AS TENS OF THOUSANDS OF PEOPLE WOULD BE ABLE TO TELL YOU THIS IS NOT THE ONLY WAY TO GET THE STICKERS YOU NEED.

IT'S SIMPLE! ALL YOU HAVE TO DO IS BRING YOUR DOUBLES ALONG TO ONE OF THE MERLIN SWOP SHOP TOUR VENUES, AND WE'LL SWOP THEM WITH YOU FREE OF CHARGE. THE EVENTS LAST YEAR HAD AN AVERAGE ATTENDANCE OF 10,000 PEOPLE AND DUE TO THIS DEMAND WE WILL HAVE TO LIMIT THE NUMBER OF STICKERS SWOPPED TO A MAXIMUM OF 25. IMAGINE 10,000 PEOPLE ALL WITH PREMIER LEAGUE STICKERS - SOMEBODY MUST HAVE THE STICKERS YOU NEED TO COMPLETE YOUR ALBUM. THERE IS A SPECIAL TICKET PRINTED ON THE INSERT WITHIN THIS ALBUM. DON'T FORGET TO BRING THIS WITH YOU, AS YOU WILL NEED IT TO GAIN ENTRY TO THE SWOP HALL. UNFORTUNATELY YOU MAY NOT GET IN IF YOU DON'T HAVE THIS SWOP TICKET WITH YOU. NO SWOPS CAN BE MADE BY POST.

**WE LOOK FORWARD TO SEEING YOU SOON, AND HELPING YOU COMPLETE YOUR PREMIER LEAGUE 96 ALBUM.**
